Commercial Property Management

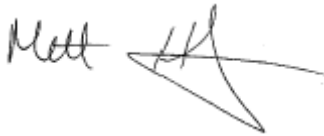

April 20, 2017

Dear Brownwood Hometown Businesses,

We would like to take this opportunity to let you know that the only planned events for the month of May are the weekly Brownwood Farmer's Markets that take place every Saturday. The **new summer hours** will begin from 9:00am until 1:00pm. Normal road closures for this event will take place from 6:00am to 3:00pm around the immediate Paddock Square area.

Thank you all for your help and support of all of the events that take place at Brownwood. If you have any questions, please do not hesitate to contact me at 352-750-9455.

Sincerely,

A handwritten signature in black ink that reads "Matt" followed by a stylized, cursive signature.
